The following stations can generally not be booked via an electronic channel:

ASM, BEY, CFB, GYD, EBL, EVN, FIH, IKA, KRT, MSQ

Exception ex USA and Canada:

In order to book personal effects and household goods via eBooking, the button "Unsecured Shipment/Unsecured Shipper" must be activated in all cases ex USA and Canada.

***In order to book personal effects via eBooking, the regulated agent making such a booking must identify himself with the ID code assigned to him by the national authority on the AWB in the Handling Information Box. The security status shown must be "SPX" (secured for transport on passenger aircraft). Shipments lacking this information will be subject to security measures.

In case of any **questions and for further information**, please contact our eChannel helpdesk at eChannelsupport@dlh.de
