

Certificate

KPMG Cert GmbH

Umweltgutachterorganisation
Barbarossaplatz 1a, 50674 Cologne, Germany

certifies that

Lufthansa Cargo AG

Frankfurt Airport, 60546 Frankfurt am Main, Germany

applies a globally established **environmental management system**.

The certificate covers the scope „international air cargo carrier in all regions and all processes as well as service provider in loading devices management for airlines (conducted by Jettainer GmbH) and logistics concepts and transport services for the transport of time-critical national and international shipments (conducted by time:matters GmbH)“. Assessments have been conducted on a sample basis at the locations named in the appendix to this certificate.

A certification audit conducted by KPMG, documented in a report, has verified that the management system complies with the requirements of the following standard:

DIN EN ISO 14001 : 2015

Certification number	10251117
Certification date	26 January 2018
Certification valid until	28 November 2020
