

**Rate and Price Conditions  
of  
Lufthansa Cargo AG**

As of August 2021

These terms & conditions are applicable to all bookings based on 020-AWBs regardless of the booking channel.

1. The applicable rate for the booking can be found in the rate details section. In the unlikely event of no rate being displayed in the rate details section please contact Lufthansa Cargo in order to finalize your booking with an applicable rate.

2. Unless otherwise specified, the rates:

- a. are subject to space availability; *and*
- b. are based on chargeable weight; *and*
- c. exclude surcharge(s), and other charges as per Art. 4.3 of the General Terms & Conditions of Carriage of Cargo of Lufthansa Cargo.

3. For bookings of BUPs/ULDs the Minimum Chargeable weight per ULD is equal to the Pivot weight published in TACT, Chapter 8 "Information by Carrier" under 3.10.5 "Bulk Unitization Charges".

4. Rates are shown in EUR. Any rate shown in a currency other than EUR due to user profile currency settings was calculated based on the equivalent rate in EUR at the time of display.

5. The displayed rate and routing are bound to the defined shipment characteristics. Any changes to the shipment specifications after receipt of a booking confirmation or at goods acceptance may lead to a re-evaluation of the shipment rate.

6. The above point 5 also applies if any of the mentioned flights change due to delivery after LAT. In these cases the rate might become invalid and a different rate might be used for billing.

7. Displayed surcharges at the time of booking are an estimate and the final surcharges shall be those valid at the date of issuance of the AWB.

8. All-in rates cannot be correctly displayed on the booking platform and will be charged as per your contract.
