

Network-on-demand

Customized logistics solutions with our flexible network and capacity offer.

Our capacity solutions:

- Full charter: Reservation of an entire freighter according to your individual transportation request
- Split charter: Partial utilization of our freighter fleet, providing cost-effective solutions
- Combination charter: Combination of the Lufthansa Cargo network and charter services, incorporating an additional layover based on your specific requirements
- Seasonal and flight-plan-individual solutions

We provide professional solutions for:

- Horses & other animals
- Arts & antiques
- Automobiles
- Aid & relief goods
- Chemical, pharmaceutical & healthcare products
- Goods for the oil & gas industry

... and many more goods and challenges.

Your benefits at a glance:

- Worldwide transport – To nearly any destination inside and outside of our global network
- Scheduling flexibility – Departure and arrival times based on your special requirements
- Comprehensive approach – Transport of any commodity, no restriction regarding size and weight

Please feel free to contact us at network-on-demand@dlh.de at any time.
