Lufthansa Cargo
Networking the world.

Logistics for the art world.

The highest level of security, top delivery priority, specialist handling: the demands that the art world places on transport are as unique as the works that it ships. Just like the logistics solutions that we have customized to meet the needs of this industry. Regardless of whether you choose **Safe2** for valuable and irreplaceable goods, **td.Flash** for very urgent shipments or **toDoor** for direct deliveries carried out by our specialist transport partners – our products allow you to get your cargo to its destination, optimally insured, intact and on time.

Are you interested to see just what customized solutions for valuable paintings, unique sculptures and unique furnishings can look like? Take a look at lufthansa-cargo.com/enablingglobalbusiness to see some of our customers' logistics highlights.

Unique items in good hands.

Flying is safe.

When transporting artworks, airfreight is the best solution:

- Short transport times and professional load planning **minimize the risk** that your valuable cargo will be damaged
- Thanks to flexible flight planning, exhibition openings in museums and galleries **can start on time**
- Continuous monitoring guarantees the **security of valuable works and exhibition items**

Safe with Lufthansa Cargo.

Flying provides real benefits.

You can count on your cargo arriving at its destination safe and sound, which we ensure with professional handling, comprehensive security measures and much more.

- **Safe on the ground:** special storage in the security area and high-precision load planning
- **Secure transport chain:** continuous monitoring with password-protected shipment tracking in real time
- **Safe handling:** a special in-house warehouse for valuable artworks that are only handled by specially trained employees with security clearance
- **Fast and flexible:** express shipping with td.Flash guarantees rapid, priority access to capacity at short notice
- **For large items:** our Boeing 777F also makes it possible to transport oversized art shipments.
- **Convenient direct delivery:** toDoor service with our specialist art transport logistics partner on the ground

Service by pros, for pros.

Flying can be so simple.

If you value quality, competence and customized logistics solutions, then we are the right choice for you.

- **More speed:** the quickest connections to over 300 destinations in 100 countries worldwide, including direct transfers and further transport on the ground
- **The highest quality worldwide:** smooth transport – through proper handling, precise timing and efficient processes at all locations
- **Reliability and transparency:** getting your cargo to its destination safely and on time and tracking it worldwide – thanks to services that are available around the clock with comprehensive tracking options
- **Competence from experience:** always the best way – with nearly 100 years of airfreight expertise in a wide range of industries
- **The best advice:** contact us 7 days a week with your questions and bookings and for quick problem-solving

Innovation is taking off.

Even more security at Frankfurt Airport.

The art world does not stop. Which is why Lufthansa Cargo has developed suitable transport solutions for art logistics – for example, by expanding our art warehouse at our Frankfurt hub. Starting 2019, it will provide even more space and particularly effective security measures for your most valuable items. Moreover, you will be able to personally accompany your art shipment during the handling process at our Frankfurt Airport logistics center. We will also be happy to provide you with customized logistics solutions – just talk to us!
