Lufthansa Cargo

Networking the world.

Note: Concerning spot quotes for adhoc requests, we can only provide an offer based on >300kg chargeable weight. For all shipments <300kg, the SRS will apply.

1. All rates and fees published are in EURO ex FRA and replace any previous publication.
2. Rates and all information published in this SRS (Standard Rate Sheet) are subject to change without prior notification.
3. Rates listed are net/net per kilogram chargeable weight excluding commissions, surcharges, taxes and fees.
4. Rates are based on weight/volume ratio 1:6 (kilogram/liter). Different rates may apply for cargo with lower- and/or higher density.
5. Rates are valid on LH and joint venture partner capacities only unless otherwise specified.
6. Rates to non-published destinations are on request only. Destinations and availability of services (td.Pro,td.Flash) are subject to change without prior notification.
7. Rates mentioned on AWB may not undercut the applicable net/net rate. B+K rates not allowed!
8. The SRS rates apply to general cargo only. For special cargo rates (e.g. dangerous goods, live animals, perishables, valuable-/vulnerable cargo, human remains, oversized pieces etc.) please refer to the appendix and/or contact your local Lufthansa Cargo representative.
9. For each ad hoc-rated shipment, promo or "special offer" the reference number (to be asked for upon booking) must be inserted in the AWB box "Accounting Information"
10. If top load is not possible 160cm height for LD and 244 cm for MD will always be calculated.
11. Shipments will be charged at the rate valid on the day of confirmed departure.
12. For all surcharges the date of AWB issue applies.
13. LCAG can only take invoicing disputes into consideration within a period of 6months after the flight date. In case a dispute was made after expiration of this period, LCAG will not take the request into consideration. Every request must be accompanied by a copy of the booking confirmation.
14. The SRS is to be treated as confidential and must not be passed to third parties.
15. The conditions of carriage specified on the reverse side of the AWB apply. For e-freight business as agreed upon in the IATA multilateral eAWB agreement.
16. The exclusive place of jurisdiction is Frankfurt/Main, Germany. The law of the Federal Republic of Germany applies exclusively, without reference to the choice of law provisions thereof (to be adapted only if required by local law).
17. Lufthansa Cargo disclaims any liability for typing errors or misprints.

Note: Concerning spot quotes for adhoc requests, we can only provide an offer based on >300kg chargeable weight. For all shipments <300kg, the SRS will apply.

FEES AND SURCHARGES

1. For all amendments on the AWB e.g. shipper's right of disposition (TACT Rules 2.6), rates and/or nature of goods, LCAG will charge a CCA fee of € 50
2. Administration fee: in case LCAG needs to arrange overfly, transit and/or import permits on behalf of shipper, € 500 per AWB will be charged.
3. For POD (Proof of delivery) requests a fee of € 30 per AWB will be charged.
4. For LC (Landing certificate) requests a fee of € 35 per AWB will be charged.
5. A) In case a routing is terminated at any European LCAG Hub, freight charges of € 0,40 all in p/kg are due and an administration fee of € 100 will be charged (storage- and/or special handling charges excluded).
B) In case a shipment must be returned ex any European LCAG Hub to the station of origin, freight charges of €1,30 all in p/kg are due and an administration fee of € 100 will be charged (storage- and/or special handling charges excluded).
